

Golfer Pace of Play **USGA** Rule 5.6b

Meadows Golf Club is committed to delivering an enjoyable round for all our golfers. It is the expectation that every golfer accepts the responsibility to maintain their position on the course relative to the pace of play target time. At the Meadows, your round should be played in no more than 4 hours and 30 minutes, with each nine played in 2 hours and 15 minutes. We will manage accordingly to ensure an enjoyable golf experience for all players.

In the event a group is out of position or causing a delay on the course, the Pro Shop staff will:

- 1) Provide an initial reminder and specific expectation for the out of pace group to regain position.*
- 2) If a group is unable to regain position, Meadows staff will move the out of position group back into position by having players skip shots, moving players to another hole or joining another group of players.*

c

Your Position on The Course

Your position on the Golf Course is directly behind the group in front of you.

Not directly in front of the group behind you.
